MANAGEMENT REPORT - FEES MONTHLY PERFORMANCE

Accessed through the Reports/Fees Comparison Graph menus.

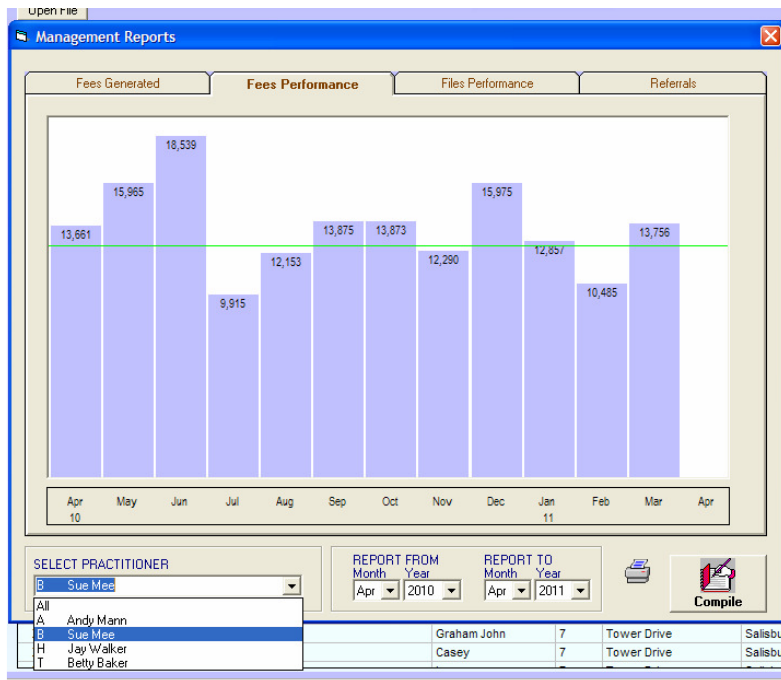

Click Compile to generate the report

This report displays a bar graph comparing total monthly fees generated for a selected period. The top of each bar in the graph shows the actual dollar amount of fees for that month.

The green horizontal line shows the average monthly fee total level.

Again, this report can be compiled for an individual practitioner (file prefix) which can be selected from the *SELECT PRACTITIONER* list at bottom left.

To print a form image of this graph, click the printer icon.
