

Conveyancing And Trust Account System

QUICK QUOTE CALCULATOR

This is a simplistic calculator to quickly work out how much stamp duty and registration fee is payable on a Memorandum of Transfer.

From the main menu select *Tools / Calculate St Duty & Reg Fee*

The amount of the conveyance fee shown is the amount you have entered into the system via the *Statement Items* screen as a default fee.

If the *Business* option was selected, the only difference is that the default conveyancing fee for a business settlement is shown, and no registration fee is displayed.

Estimated search fees must be entered manually.

To refresh the totals, click the *Refresh Total* button.

To print an image of the form click the *Print Form Image* button.

The screenshot shows a web-based calculator interface titled "Quick Quote Calculator". It features a "QUICK QUOTATION" section with two radio buttons for "Land" (selected) and "Business". A "Purchase Price" field contains "\$550,000.00" and a "Calculate" button is to its right. Below a horizontal line, a list of fees is displayed with their respective values in input fields: "Conveyance Fee (inc GST)" at \$550.00, "Stamp Duty on Transfer" at \$24,080.00, "LTO Registration Fee" at \$3,566.00, and "Estimated Search Fees" at \$330.00. A "Total" row shows a value of \$28,526.00. At the bottom of the form area are two buttons: "Print Form Image" and "Refresh Total". A disclaimer at the very bottom states: "This quote is an estimate only and is not intended to be binding on ABC Conveyancing Services".
